RC - DESKTOP blog

Above the fold

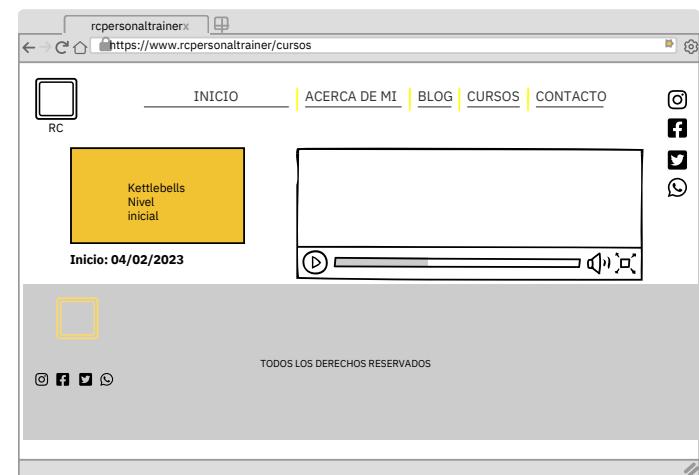

The screenshot shows a desktop browser window for 'rcpersonaltrainer'. The page title is 'rcpersonaltrainer' and the URL is 'https://www.rcpersonaltrainer/blog'. The main navigation menu includes 'INICIO', 'ACERCA DE MI', 'BLOG', 'CURSOS', and 'CONTACTO'. On the right side, there are social media icons for Instagram, Facebook, Twitter, and WhatsApp. The main content area features a large image placeholder with a red 'X' pattern. Below it, the title 'PIES DESCALZOS PARA ENTRENAR' is displayed in bold capital letters. A short paragraph of placeholder text follows. At the bottom left is a 'Compartir' button with a small icon, and at the bottom right is a 'scroll' button.

scroll

This screenshot shows the same desktop browser window as the first one, but it has been scrolled down. The title 'ENTRENAR EN AYUNAS, ¿SI O NO?' is now visible. The rest of the page content, including the image placeholder, social media icons, and footer, remains the same as the first screenshot.
